Beloved Zadliel Jan. 24th 1960.

Now We have cleared away through the power of the Sacred Fire so much of the creation of humankind and We have brought into action through the powers of the Sacred Fire more and more opportunity for each and every one of you to become the fulness of its expression. What is the difference between the Sacred Fire and the fire that you see? Sacred Fire is a quality of energy for the most part unseen, which has been consciously charged by some Divine Being with a God Virtue. The fire element in the world of form, while sometimes it performs a constructive service, then again it performs destructive service because some of the salamanders who compose the fire kingdom, have not yet come fully under the control of the great Beings Who direct them, but no one need to fear the use of the Sacred Fire of the Gods. It only intensifies some God Virtue that Someone Who went before you loved enough to breathe His breath into and keep it living by the rhythm of the energy of His Life. Does anything live even in your human octave without the energy of your life? I think not. Not even your own human form would live did you not perform the services required in ablutions and in nourishment. Not even the smallest plant that grows would live if it is not nourished and loved; not the tinest animal form survives without that rhythm of love and attention. Often when you come into the seemingly invisible action of the Sacred Fire, are you as rhythmic in your love of those virtues as you are in the rhythm of preparing and taking care of your physical needs?

Oh lovely ones, let us gain that rhythm in honor to whatever quality of God you would like to see in the life in through and around you manifest and then naturally you, in yourself, will become a very essential part of that Flame! X

While your attention is upon the class or the Ascended Matser Who is speaking, on the Flames or Rays, what are you giving? You are giving the <u>breath of your life</u>; <u>you are giving the essence of your being</u>. When you cease, however, to keep your attention upon the Divine Beings then you come <u>truly</u> into a consciousness where Their assistance cannot be given you.

Our energy and attention is going to be used a great deal in 1960 particularly with those who are to come into embodiment, so that all who are born, all who come into the Sacred Heart Temple of Mother Mary in May will have the sustained intensification of the Violet Fire, an intensification of the activity of purification. We are dealing naturally with the necessary resuscitation of the planet Earth and Her evolutions and We are dealing with the individuals who are interested enough in Us to give God assistance in the Cause of the Ascended Master Saint Germain in bringing forth the Seventh Root Race and all of its subraces as well.

I will give you a visual picture, so to speak, of the activity of purification which comes first to the soul and then makes it possible for you as individuals to wear again the cloak of an Acolyte of the Order of Zadliel, Myself, and of the Ascended Master Saint Germain.

When the soul is so purified by the use of whatever of the activities which We have given you, it becomes as white as snow; then you have the privilege and the authority to utilize the cloak of Our Order which you have worn before, and which it will be My privilege and honor to place again upon your shoulders today, dubbing you Acolytes of the Order of Lord Zadkiel. NOW WEAR IT, IN HONOR. Naturally you cannot go about the streets with this garment but visual aid is an assistance to the physical form and visual aid is one of the greatest of the activities of the true spiritual teaching, of the present and of the future. SO IN MY NAME AND IN MY AUTHORITY AND THAT OF THE BELOVED HOLY AMETHYST accept now thiis Cloak of Honor! X

NOTE - (On each acolyte present the Cloak of Lord Zadkiel was placed) This too, was done for you.
